

Exclusive Solutions for innovative minds.

LCGC Chromatography Solutions Pvt Ltd

*The*  
Measure  
*Of*  
Confidence

**Weighing Scale**

**Water & Dust Proof**

Sleek but Rugged

High speed ADC

Simple to operate

# Dust & Water Proof

*Designed for the tough environment*

IP65 - First in its class.

## LC-T Series

Stainless Steel Pan

Angled Easy to read Display

ABS Body

0.56 Inch Red LED

Adjustable Foot

Easy to operate Keys

### What is ABS Material?

- A**crylonitrile component gives chemical resistance and heat stability,
- B**utadiene gives toughness and impact strength
- S**tylene gives rigidity and processability

### Weight Unit

- Selected weighing Unit 'g', "Kg" or "lb"

### Power Requirement

- 230VAC  $\pm$ 10%,50Hz
- (Adapter with 9V DC / 800ma)
- Auto Power Off

### Battery

- Backup max 40 hours of continuous use
- internal Rechargeable battery.

**Nano Meter Technology Coating Processed Main Board**  
for protection against Dust & Water, 100% Protected for Dusty environment.

ADC : Sigma Delta; Updatel < 0.1 second.  
**Optional** : Rear Display

Model	Capacity ( Kg)	Readability (g)	Pan Dimension
LC-T-3	3 Kg	0.2 g	190 x 230 mm
LC-T-6	6 Kg	0.5 g	190 x 230 mm
LC-T-15	15 Kg	1.0 g	190 x 230 mm

Specifications are subject to change without notice
